August 9, 2023

We are so excited to announce that we are having our 6th Annual Gathering in the Garden Fundraising Event. We are looking for people, organizations, businesses, corporations, and/or foundations willing to sponsor our event or provide an auction item. Here is some information about BeGenerous to give you a glimpse into what we do.

RESCUE RECOVER RESTORE

1. Providing a place of refuge for women in need of a safe and sound place to recover who they are. We offer a 24-month Christ-centered residential recovery program and safe homes for those coming out of addiction and/or sexual exploitation (1 Year Minimum). Immediate housing removes them from harm's way and provides hope in finding the freedom they were intended to have.
2. Partnering with community agencies to assist those in need of short-term transitional housing or alternative shelter by acting as a bridge.
3. Helping women recover what was lost and restoring healthy relationships with their families and children. Reunification is always our goal and we believe it is possible with their surrender and our support.
4. Offering first love, family, and prayer. We also invest in them by providing, trauma-informed care, pastoral counsel, space for inner healing, life skills, addiction and relapse prevention, as well as further leadership education in partnership with SOR. These are all anchored in the love of Jesus, providing an atmosphere of worship and grace.

Attached you will find information on the different sponsorship levels. Please take a few minutes and read through the different areas of sponsorship and prayerfully consider joining us at the event. If you decide to become a sponsor then please mail a check and contribution form to the address above (preferred method). If you need to pay by credit card you can go to <https://www.begenerousinc.org/donate> click Give Now under Give Online and then when promoted please give instructions: Sponsorship for the Gathering.

Blessings,

Lisa Morgan
Vice President of the Board
